work experience

Publicis Global Delivery - TD Bank UX Designer

2025 - 2026
Costa Rica

Responsible for a suite of 6 enterprise-scale, regulated internal colleague-experience apps used by frontline agents.

Led end-to-end UX/UI for MVP2 of the Contact Update App, an internal servicing tool used across 1,000+ U.S. branches and TD Bank's U.S. contact centers.

Contributed new reusable patterns back into the Odyssey design system, partnering with platform design leadership to extend the shared library.

Wolabba Founder & Product Designer

2023 - present
Costa Rica

Led end-to-end user research — interviews, surveys, and competitive analysis — to uncover user needs, design and develop digital products across tourism and retail context

SAVAGE Media Group UX-UI Designer, Generalist

2019 - 2023
Chicago, IL

Delivered end-to-end web experiences across tourism and construction industry, translating business requirements into informed design solutions
